B E W A R E !!!

O P E N not your houses for the *COURT*
Candidates 'till Master Rose sends down
the Cash from the TREASURY ; take cau-
tion from the example of the *Westminster*
Publicans, who, in 1788, when the true and
independent Electors of that City, rejected
with disdain Mr. Rose's *Tool* LORD HOOD,
were deceived, defrauded, and ruined by
dependence on that *honest* Man :---their
bills are to this day unpaid. Hear this ye
Publicans, of the *honest upright* Master Rose,
and trust not in his promises, or ye will be
like the Publicans of Westminster, *deceived,*
defrauded, and ruined !!!

A FRIEND.
